🍷 Riverine Premium Steaks When our Executive Chefs and our Butcher went on a journey to find an outstanding beef product that would match the history, passion, integrity, flavour and consistency required by the Original Coopers Alehouse and the Coopers Family Beers, they discovered a phenomenal match. "Riverine Premium", which is produced by Teys Australia, delivers the next-level beef dining experience we wanted to partner with. Their outstanding reputation for consistent quality and exceptional tenderness with rich, bold traditional beef flavours, is backed by history and Australian farming families.

Since 1946 the Teys family have been producing beef and the flagship product, "Riverine Premium" is produced at Teys Naracoorte, here in South Australia. Only a small percentage of hand selected prime quality British bred cattle that are raised in the lush, temperate Southern Regions make the grade. We are proud to collaborate with Teys Australia and Adelaide's leading butcher "My Butcher" in showcasing "Riverine Premium" on our menu. Please enjoy!
